Subject: Adoption of Fee Regulations

This Information Notice (IN) is to advise all radioactive material licensees, and x-ray registrants, of the adoption of revisions to the Arkansas State Board of Health Rules and Regulations for Control of Sources of Ionizing Radiation pursuant to the Administrative Procedures Act as amended, Ark. Code Ann. § 25-15-201 et seq., by authority of Ark. Code Ann. §§ 20-21-203 through 20-21-217. In conformance with the Administrative Procedures Act, all steps for final approval/certification have been completed.

In reference to x-ray registrants without a Radioactive Material License, there will be **NO CHANGE** in fees. However, hospital and medical center x-ray registrants with a Radioactive Material or Particle Accelerator License will have fees assessed at $65.00 per tube with a maximum of $260.00. The following fee schedule applies to all x-ray registrations:

RH-58. **Registration Fees.**

In accordance with Arkansas Code Annotated §20-21-217, annual fees for registration shall be paid. Nonpayment of fees shall result in escalated enforcement action and/or revocation of registration.

In accordance with Arkansas Code Annotated §20-21-217. X-ray Registration Fees are as follows:

a. All x-ray units - $65.00 per tube, up to a maximum of $260.00.
