Paul K. Halverson, DrPH, FACHE, Director and State Health Officer

ARKANSAS EMS BASIC AND ADVANCED EVALUATOR REQUIREMENTS AND APPLICATION

Arkansas currently requires trained Lay Evaluators to assist the Section of Emergence Medical Services in administering practical exams. Lay evaluators will be approved after successful completion of an eight (8) hour Lay Evaluator course INSTRUCTED by the Section of EMS Specialist. Continuing Education will be awarded for the training course (8 hours) and for participating in administering each practical exam (4 hours).

QUALIFICATIONS FOR ARKANSAS LAY EVALUATORS

1) Letter of recommendation from employer/affiliate.

2) Completion of Lay Evaluator course and evaluation by a current Lay Evaluator or EMS Specialist.

3) Minimum of two (2) years certification at the level you are evaluating for the exam.

EVALUATOR COURSE	EVALUATOR CERTIFICATION LEVEL	SKILL LEVEL TEST
Basic	EMT-	EMT
Basic & Advanced	Adv.EMT or Paramedic	ADV. EMT or Paramedic

AS EVALUATOR YOU MAY NOT TEST: Fellow employees, family members, close associates/friends, students of lay evaluator for course being tested, or anyone who, due to association, may in the opinion of the Section of EMS, give the appearance of impropriety.

RENEWAL: Participate in 2 exams yearly or complete the Section of EMS Lay Evaluator course every two (2) years. Mandatory updates as significant changes occur.

EMT's interested in becoming a Lay Evaluator should complete the application attached and return it to the address indicated below:

Arkansas Department of Health, Section of EMS; 5800 W. 10th Street Suite 800, Little Rock, AR 72204

I am interested in becoming a Lay Evaluator. I understand that I will not be reimbursed for being a Lay Evaluator.
