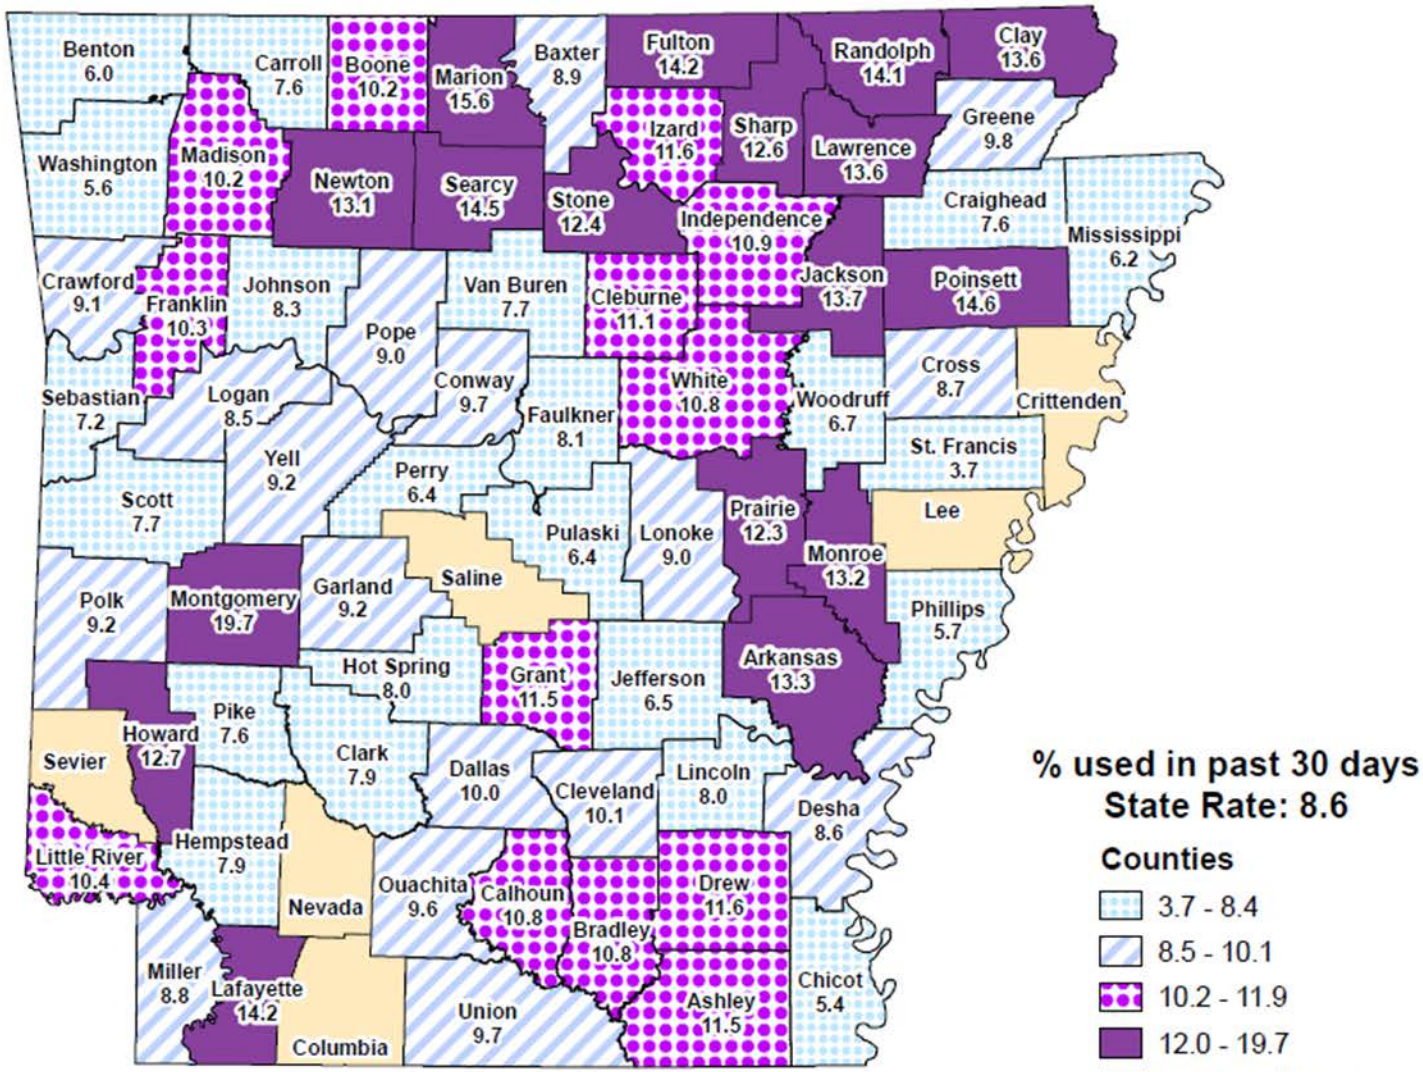
Current Cigarette Use among Youth
Arkansas 2012



Date: July 5, 2013
Source: Arkansas Prevention Needs Assessment (APNA)
Map created by: Wanda Simon, Epidemiologist

Note: The counties marked "insufficient data" either had less than a 40% overall valid participation rate or less than a 25% valid participation rate for one or more of the four grades surveyed (6th, 8th, 10th, or 12th).
