

HEALTH INSURANCE MARKETPLACE

Get Ready to Enroll

The Marketplace will help you find health insurance that fits your budget. Many people will even get a break on costs. Open enrollment begins October 1, 2013 with full coverage beginning January 1, 2014.

ABOUT THE HEALTH INSURANCE MARKETPLACE.

The Health Insurance Marketplace is like a mega mall for health insurance plans. Individuals can shop for, choose and enroll in high quality, private health plans at affordable prices. You choose this plan based on your individual or family needs.

How it helps:

- No one can be denied coverage due to pre-existing health conditions.
- Many preventive health services will be available at no cost to you.
- There are no limits on annual or lifetime benefits.

WATCH FOR MORE INFORMATION

Starting in October, you will be able to get information about all the plans available in your area. You'll be able to enroll yourself, directly through the website or call a toll-free hotline.

If you need assistance finding a plan that meets your needs and budget, there will be people available to give you personalized help with your choices. These In-Person Assisters will be located in every county statewide. The Arkansas Department of Health will be housing some in each county in our local health units for your convenience.

At the Health Insurance Marketplace, you can find health insurance that fits the way you live AND learn if you can get a break on cost.
