Proposed Changes to Rules and Regulations for Orthotists, Prosthetists, and Pedorthists in Arkansas

Date	Commenter	Comment	Agency response
081715 written	Stephen B. Fletcher, Director, Clinical Resources American Board for Certification (ABC)	Opposes ABC certification should remain exclusive standard acceptable for licensing -not equivalent, less pediatrics -supports technical changes	Fully researched; OPP Advisory Board and agency are satisfied that BOC certification is appropriate licensing standard
091715 written	James L. Hewlett, Board of Certification (BOC) Chair	Supports BOC certification accepted by CMS, VA, and large majority of states and third party insurance payers.	No action required
091715 attendee	Zach Chait, BOC	Supports	No action required
