

**Arkansas WIC Farmers' Market
Nutrition Program (FMNP)
Instructions for Using FMNP Coupons**

1. Coupons may be used only at FMNP authorized farmers' markets and only at stands/booths of authorized farmers displaying a WIC sign. Do not try to redeem FMNP coupons at grocery stores. Cash Value Benefits (CVBs) may not be used at farmers' markets.
2. Only locally grown fresh fruits, vegetables and herbs may be purchased at the farmers' market.
3. The farmer cannot give you change back for your purchase. Purchase the amount of fruits, vegetables and herbs as close to the value of your coupons as possible.
4. If your purchase is more than the value of the FMNP coupon(s), you may pay the difference using your own money.
5. You may use all of your coupons on one visit to the market or you may return to use any remaining coupons.
6. All coupons must be used by September 30th.
7. No coupons will be replaced for any reason.
