Section I. Authority

The following Rules and Regulations Pertaining to Insecticide Dispensers are duly adopted and
promulgated by the Arkansas State Board of Health pursuant to the authority expressly conferred
by the Laws of the State of Arkansas including, without limitation, Act No. 96 of 1913, as amended

Section II. Regulations

A. Thermal Insecticide Vaporizers

Installation and use of thermal insecticide vaporizers in which toxic chlorinated hydrocarbons such
as Lindane or DDT are the insecticidal chemicals are prohibited in any room of an establishment where foods are processed, prepared, served, packed or stored.

B. Use in Homes

Advertising, offering for sale or sale of thermal insecticide vaporizers for use in homes and any
living or sleeping quarters where the recommended chemical is a toxic chlorinated hydrocarbon
such as Lindane or DDT are prohibited.

C. Food Contamination

Installation and use of insecticide dispensers or any other means by which insecticides are
dispersed in food preparation and food serving areas are prohibited unless otherwise provided on
the directions of the registered label.

Section III. Penalty

The penalty for violating these Rules and Regulations shall be the same as provided by Ark. Code
Ann. § 20-7-111.

Section IV. Repeal

All Regulations or parts of Regulations in conflict with this Regulation are hereby repealed.

Section V. Certification

This will certify that the foregoing Rules and Regulations Pertaining to Insecticide Dispensers were
adopted by the State Board of Health of Arkansas at a regular executive session of said Board held
in Little Rock, Arkansas, on the twenty-third day of April, 1979.

(signed)

Robert W. Young, M.D.
Director
Arkansas Department of Health
Dated at Little Rock, Arkansas, this twenty-third day of April, 1979.
