

# The Arkansas Department of Health Little River County Because Your Health Matters

## Making Your County Healthier

The Arkansas Department of Health (ADH) is a centralized public health system with four main Centers and the Public Health Laboratory that work with 94 local health units to provide clinical preventive services, administer public health programs, and issue licenses and certificates. Everything at ADH is done because we believe that communities can be healthier and safer, and people can live longer.

### Clinical Preventive Health Services

- Immunizations
- Women's health services
- Women, Infants and Children (WIC) nutrition program
- Testing and support for tuberculosis and sexually transmitted diseases, including HIV
- In-home health services

### Public Health Programs

- Infectious disease investigations
- Statewide trauma system
- Local emergency preparedness planning
- Tobacco prevention and cessation programs
- Statewide prescription drug monitoring program
- Hometown Health Improvement

### Licensing and Certification

- Vital records (birth, death, marriage)
- Restaurant inspections
- Tests for drinking water
- Hospital and Emergency Medical Services (EMS) Licensing
