

**Central Region
CHNS/CHPS Report
October 2015**

Anna Haver, CHPS

- Assisted NE Region CHNS with information for school district trying to access online SHI and Indistar documentation requirements.
- Completed quarterly report for ADH as provider to NCHCEC to report continuing education hours for CHES and MCHES.
- Assisted with 17 School Flu Clinics.
- Made contact with new District Wellness Chairs at Harmony Grove School District, Bryant School District, Cutter Morning Star School District and Mountain Pine School District via email to offer assistance to wellness committee.
- Made contact with new Bauxite School District Wellness Chair via email to offer assistance to wellness committee. Responded and will send meeting schedule when completed.
- Provided physical activity presentation and activity for 2nd and 5th grade students at Booker Arts Elementary (approximately 100 participants).
- Provided tobacco prevention and quitline information to NLR High School and District office for Fit 2 Be a Wildcat week (materials provided for 100 people).
- Sent information via email to all schools in Pulaski, Garland and Saline counties on TPCP mini grant RFA; Lifelines Postvention training flyer; My Reason to Write Campaign materials and SHI trainings scheduled for February 2016.
- Provided technical assistance to five school districts related to wellness committee responsibilities.

CHNS

- Supervisor and CHNS from SER assisted Pulaski County School Nurses during CHNS vacancy.
- SER CHNS provided a second round of Vision and Hearing Trainings at ARESC for Little Rock and PCSSD School nurses. The mandatory training for school nurses is provided so they will be able to screen students in the schools. CO monitor, Tobacco Quitline Cards, Act 811 Cards and Health information about Tobacco related diseases was discussed (five participants).
- SER CHNS Provided information to NLRSD, LRSD, and PCSSD about My Reason to Write; also placed information on SE Region Website.
- CHNS Supervisor provided guidance to school nurse supervisors from a private school in Pulaski County, LRSD and PCSSD via emails and phone calls.
