

## CHNS and CHPS Report

NW Region

September 2011

### **Nancy Marsh, CHNS**

Nancy collaborated with Jennifer Dean to present Emerging Products to the Madison Co Health Unit staff. CNEs were offered to nurses. She collaborated with Madison County in planning for the tobacco and drug prevention teen summit. She provided the School Health Index training to the Jasper School District CSH Coordinator and grant staff from Madison County. She facilitated several meetings including the Madison County Safety Baby Shower planning meeting, Madison County Medical Group Board meeting, and the Madison County Teen Summit planning meeting. She provided the Northwest Arkansas School Nurse Coordinators meeting via video conference. She provided technical assistance to the Greenland School District Superintendent regarding the Greenland Flu Clinic ADH media event. She provided technical assistance to school personnel and school nurses on several health issues.

### **Mary Glasscock, CHNS**

Mary provided education on the SOS Quitline number and the dangers of secondhand smoke at the Smoke Free Home and Car Campaign, Ozark Memories Day, provided by the River Valley Prevention Coalition. She provided a presentation on ACT 811, the SOS Quitline and the dangers of smoking during pregnancy at St. Mary's Hospital. She provided an APSCN training for school nurses at the education cooperative. She provided education on the School Zone Primary and Secondary Laws at the Faulkner County Human Service Coalition. Education on the School Zone Primary and Secondary Laws and ACT 811 were provided at the ATOD in Conway Co, Perry School District Wellness Committee meeting and Van Buren Co TEA Coalition. Mary attended the Arkansas Breastfeeding Coalition meeting. She provided information on Safety Baby Showers to the Perry County Safety Baby Shower work group. Mary posted preparedness posters at the Arch Ford Education Cooperative.

### **Cheria Lindsey, CHNS**

Cheria collaborated with OUR Education Cooperative Special Education Department to present the Health Module with Special Health Care Needs to Paraprofessionals in the education cooperative schools. She provided education on ACT 811 at the training. She partnered with the Carroll County Drug Free to provide a booth at the Teen Summit on tobacco prevention and cessation. She collaborated with Dana Bennett with ARMITs to provide personal care training to paraprofessionals which included the writing of plans for nurses. She presented to OUR Education Cooperative superintendents on the role of the CHNS and CHPS and school flu clinics. She assisted with health screenings at Eagle Heights Elementary School. She provided technical assistance to several school nurses on multiple health care issues.

### **Miranda Curbow, CHNS**

Miranda participated in the planning of education in the schools at the meeting of the lung cancer awareness action team for the Donald W Reynolds Cancer Support Center. She provided tobacco quitline and ACT 811 education at the Franklin County Hair Fair. She collected smoke free homes and cars pledges. She provided education on ACT 811 and vehicle safety at the Paris CSH Wellness Clinic. She provided ACT 811 education with the Mountainburg School District administrators and the Cedarville and Van Buren school nurses. She provided scoliosis recertification training for school nurses at the education cooperative. She provided technical assistance to the Paris CSH Wellness Center personnel for the day of their first clinic. She provided technical assistance to school nurses on multiple health care issues.

#### **Sarah Brisco, CHPS**

Sarah assisted with the School Health Index training for the Jasper/Kingston School District. She attended the HHIS in Russellville where she discussed and updated on the Kiwanis Project and SHI trainings. She participated in the Carroll County Teen Summit booth where SOS education and materials were provided for students for students from Green Forest, Berryville, and Eureka Springs. She completed the Kiwanis Obesity project with UMC Childcare NAPSACC program.

#### **Christine Reifeiss, CHPS**

Christine provided information to the Perry Co HHATS Coalition on safety baby showers. She collaborated with Sara Bates, Growing Healthy Communities, in developing a presentation for ARCOP on Van Buren County activities. She facilitated a meeting on bringing healthier meals to the impoverished in Faulkner Co. Those present included the Executive Director of the Bethlehem House homeless shelter, AETN and the director of Soul Food Café (soup kitchen). She provided technical assistance on how to become a CSH school to Bigelow CSH Wellness Committee. She provided technical assistance to Ruth Doyle School personnel on establishing an afterschool intramural tennis program. She provided technical assistance to the school nurse and PE teacher on multiple physical activity projects for the school.
