PLEASE WRITE A SUMMARY OF ACTIVITIES (WHO, WHAT, WHEN & WHERE) AND INDICATE IF AN OUTREACH FORM WAS SUBMITTED DURING THIS REPORTING PERIOD BESIDE THE APPROPRIATE PUBLIC HEALTH INITIATIVE:

AGING POPULATION		
ALCOHOL & DRUG PREVENTION		
BREASTFEEDING	X	Local health unit nurse takes pictures of breastfeeding moms and their children and showcases them on a bulletin board in our clinic room. We have monthly breastfeeding support group at Open Arms Pregnancy Center.
CANCER	X	We continue our Komen Breast Health Navigation Program. Monthly breast cancer support meeting. Komen Navigator attends Breast Conference in Fayetteville once per week. This is where area doctors and providers meet to discuss clients and treatment options. Guest speaker at breast cancer support group meeting from Contour Med which sells prosthetics. Huntsville High School had a fundraiser, “Dig Pink” for our breast cancer support group. Raised \$300. Health Fair at Elkins High School. BreastCare booth at mass flu clinic. Clients were enrolled and given an appt.

Every Tuesday	Weekly clinic meetings
Ongoing	Emergency Planning with community.

Any Special Project Highlights / Health Fair / Events / Outreach Forms, etc. attach with submission of report.

This year, Marshall high school nurses got donations from area businesses and fast food restaurants to use as a drawing for kids who received their flu vaccination this year. The goal was to try and increase participation by students at the high school to get their flu shots. Gave out approx. 40 door prizes. It was felt like this was a very successful endeavor as there were 32 more students who participated this year than did last year.
