They had an increase in knowledge about the chronic diseases caused by tobacco use. They were given patches and gum to begin using and one was given Chantix. The group that attended the class had a decrease in percentage of carbon monoxide in their system and 4 attendees have stopped smoking and are now tobacco free! The cessation classes are free to the public and cessation medication is given free of charge.

		<p>The CEC met with Tyson Plant Chaplain in Berryville to discuss the importance and benefits of a comprehensive policy. Tyson has a tobacco policy and offers their employees an eight week cessation program with 8 weeks of patches or gum. The employees can also receive Chantix through their insurance. Tyson does have a designated smoking area.</p> <p>The CEC had several meetings with the owner of Madison Motel in Huntsville about a tobacco free policy. The owner had an increase in knowledge about the dangers of electronic cigarettes and requested a policy to prohibit all tobacco/nicotine use in all the hotel rooms. The tobacco/nicotine free policy went into effect January 15, 2016.</p>
