

**Southeast Region
CHNS/CHPS
January 2015 Report**

Cassie Lewis

- Communicated via phone or face to face with Superintendents and Principals for the ten school districts in the GREC Cooperative area regarding placement of ACT 811 tobacco signs for elementary campuses and development of comprehensive tobacco policies within the districts. CHNS received permission from all districts to place signs on selected campuses. Provided Administrators with copies of sample comprehensive wellness policies and Wellness Committees will work on more comprehensive tobacco policies for presentation to the Superintendents.
- Site visits to several schools checking for Tobacco-free zone signage at entrances to buildings. Located some entrances without signage. Laminated 80 copies of copies of signs provided through TPCP and delivered to several schools in GREC service area.
- Delivered 13 In Stall News Holders to several campuses in the Great Rivers Districts. CHNS will provide health message for holders each month with the first message in February providing information on the Arkansas Quit line.
- Tobacco Booth at annual Fitness challenge weigh-in for St. Francis County. 20 people visited booth and received health information on tobacco prevention. Eight received CO tests via PICO test monitors and two who were smokers completed the fax back referral forms for the Arkansas Quit Line. All participants also received a fact sheet on CO in relation to tobacco use.
- Technical assistance to school nurse at Clarendon for a “healthy habits” class held for second graders. CHNS provided 50 ACT 811 cards placed in backpacks to take home to parents. CHNS also provided 50 “Get real about tobacco” coloring books to class.
- CHNS provided technical assistance for nurse at Clarendon School District by providing 50 internet safety activity/coloring books for second graders for a “healthy habits” class.

Lisa England
