

## **SWR CHNS January 2011 Highlights**

All 4 CHNS hosted and presented training for school nurses in SWR. This all day training held 1/6/11 at SW Co-op in Hope included “Scoliosis Certification” training (19 participants) and “*Obesity Education and Prevention for School Nurses*” (13 participants). Nursing CE was provided and CE managed through ATRAIN.

### **Edie Greenwood**

Provided *Obesity Education and Prevention for School Nurses* for 15 BSN students from UAMS.

Provided CPR/AED certification for 21 teachers and staff at Nevada School District.

Visited Lafayette County Junior High, High School and Lafayette County Upper and Lower Elementary to watch scoliosis and BMI assessments being completed by the UAMS/BSN nursing students and the school nurses.

Assisted LHU Administrator at Nevada County with writing Susan G. Komen grant for \$2000.00 to benefit the Nevada County Cancer Association’s Jami Powell Conference to be held on February 26, 2011.

### **Rhonda McDonald**

Met with Director at Ouachita Child Enrichment Center (Daycare/Early Childhood) and assisted her in setting up parent center. Provided resources through ACH and AFMC.

Moved into new co-op location!

### **Tommie Rogers**

Promoted New ATV Safety Toolkit for Clark County Schools (Clark County is piloting).

Revised CSI (Cigarette Smoking Investigation) Scavenger Hunt (tobacco prevention project) for implementation with middle school students.

**Cheryl Byrd**

Collaborated with Mena School's CSH Coordinator to educate students and staff about hypertension and heart health. BP screenings provided to students and staff during lunch periods (school nurse, CHNS, CHNS supervisor and local Clinic coordinator checked BPs). Distributed information on tobacco prevention, heart health, stroke awareness and healthy eating/moving.
