## HAPPY NEW YEAR !!

The EMS-Children Program begins the New Year with numerous projects and activities planned. 2014 was a great year for the Program. The Arkansas EMS-Children program achieved National recognition for its efforts and projects. The Exertional Heat Illness project expanded beyond our borders and other States are adapting the project to their specific needs. The Arkansas EMS-Children would like to thank everyone for an incredible year and we look forward to 2015 with great enthusiasm. This issue of the PEDI times will include upcoming events and meetings for 2015. Numerous events are available and will provide information on several topics related to Pediatric care.
