MEMORANDUM

TO: All Arkansas Licensed EMS Services

FROM: Larry New, NREMT-P/Instructor
Regulatory Administrator
Section of EMS & Trauma Systems

DATE: January 07, 2009

RE: EMTs with an Expiration Date of March 31, 2009

The list of EMT personnel expected to recertify by March 31, 2009 is posted on the EMS Website @: www.healthyarkansas.com/ems

Current EMS Rules and Regulations require persons staffing EMS Vehicles to have a current Arkansas EMT certification. This is verified by the presentation of the Arkansas EMT Certification Card (Blue Card). Personnel who have not recertified as required will not be able to provide care on any registered EMS units until the recertification process is complete.

Please review your current personnel to determine their eligibility to continue to provide care.
