MEMORANDUM

TO: Arkansas EMS Training Sites
Arkansas Certified EMT Instructors

FROM: Norajean Miles Harrell, Certification Administrator
Section of EMS & Trauma Systems

DATE: March 1, 2009

SUBJECT: Advanced Stroke Life Support

The Arkansas Department of Health, Section of Emergency Medical Services and Trauma Systems, in cooperation with the Heart Disease & Stroke Prevention Section, is proud to again offer the Advanced Stroke Life Support® Instructor Course taught by the University of Miami Gordon Center for Research in Medical Education.

The course will be offered on Friday, April 17, 2009 in Suite 801 at Freeway Medical Building, 8th Floor. Please see the enclosed flyer for registration details and additional information.

As last year, each EMS Training Site is encouraged to send a maximum of two (2) registered candidates. It is hoped that different attendees will attend this year so that a cadre of instructors can be established throughout the State. Admission will be on a first come, first registered basis, as the space will accommodate a maximum of thirty (30) attendees.

Please contact Ms. Helen Huitt, EMS Specialist, at 501-661-2556 to register for the course. If you need additional information, Ms. Huitt will be able to provide the details. We look forward to your participation.
