MEMORANDUM

TO: All Arkansas Licensed EMS Services

FROM: Larry New, NREMT-P/Instructor
Regulatory Administrator
Section of EMS & Trauma Systems

DATE: June 26, 2009

RE: EMSPs with an Expiration Date of September 30, 2009

The list of emergency medical services personnel expected to renew by September 30, 2009 is posted on the Section of EMS and Trauma Systems Website at: www.healthyarkansas.com/ems.

Current EMS Rules and Regulations require persons staffing EMS Vehicles to have a current Arkansas EMT certification/licensure. This is verified by the presentation of the Arkansas EMT card. Personnel who have not renewed as required will not be able to provide care on any registered EMS ambulance units until the renewal process is complete.

Please review your current personnel to determine their eligibility to continue to provide prehospital care. You can also verify current certification/licensure at the web site noted above.
