Re: Gregg Brown to be Section Chief for EMS

We are pleased to announce the hiring of Greg Brown as the new Section Chief for Emergency Medical Services. As many of you know Greg is a licensed paramedic with many years of experience and is coming to us from Baptist Medical Center where he is currently the Training Center Coordinator. Greg will begin his work with ADH on July 12.

The Section is planning a drop-in reception for those wishing to come by and we will get the date out to everyone as soon as it is finalized. Also, Greg will be attending the AEMTA Conference in Hot Springs in August and is excited about being able to meet and visit with the EMS community. However, if you know you can't make one of these times, feel free to stop by and say hi when in the office for other business.

In closing, thanks for all the patience during our lengthy hiring process. Take care.
