Re: An Introduction

The Section of EMS is please to introduce Jack Hill to the EMS Community. Jack joined the Section of EMS in the capacity of Data Manager on March 21, 2011.

Among other duties, Jack will be the contact person for questions about the KeyData program and compiling EMS Ambulance run data to the Section of EMS. You can reach Jack at 501-661-2333 or Jack.Hill@arkansas.gov with any questions about the data submission and reporting.

You can, of course, continue to contact me if you wish, but I will be fielding most of these issues to Jack.

Thank you for joining the Section in welcoming Jack to the State Office.
