Dear Ms. Taylor,

The Arkansas Department of Health conducted a compliance review and health inspection survey at the Dermott Juvenile Correctional Facility in Dermott, Arkansas on May 26, 2011. This was a follow-up survey to the February 3, 2011 survey.

Guidelines for the survey were derived from the "Standards for Juvenile Community Residential Facilities" Regulations Pertaining to Retail Food Establishments the Arkansas Plumbing Code and Mechanical Codes of the Arkansas Department of Health.

Attached is a copy of the report with the findings of the inspection. A Plan of Correction from the facility will be due by July 8, 2011. **The re-cited deficiencies will be reviewed during the next regularly schedule survey.**

If you have any questions, please contact me or Robby Reddish at (501) 661-2201.

Sincerely,

Brenda Wright, RN
