Ms. Smith:

The Protective Health Codes staff completed their routine surveys at the Harrisburg Juvenile Treatment Program at Harrisburg, Arkansas on March 17, 2011.

The survey teams consisted of personnel from the Protective Health Codes and Health Facility Services.

Guidelines for the survey were derived from the "Standards for Juvenile Community Residential Facilities, Third Edition," Rules and Regulations pertaining to General Sanitation, the Arkansas State Plumbing and Mechanical Codes and Rules and Regulations Pertaining to Retail Food Establishments.

The facility met the requirements for 4A07 in that the Food Service staff complied with all sanitation and health codes enacted by state or local authorities.

There were no deficiencies cited at your facility.

If you have any questions, please contact Brenda Wright or Robert Reddish at (501) 661-2201.

Sincerely,

Brenda Wright, RN
IDR Program Assistant
