

Continuing Education Seminar for Limited Licensed Radiologic Technologists

2016

Presented by Ray Winters, M.S., RT(R)(CT)
Director of Radiologic Sciences at Arkansas State University

8:30 – 9:20 **Radiographic Positioning, Positioning Terminology & Procedures** (1hr CE)

A look at common positioning and its related terminology and some of the basic procedures to accomplish satisfactory radiographic positioning.

9:20 - 10:10 **Instituting a Basic Quality Control Program** (1 hrs CE)

This presentation covers the basic requirements and methods of having a quality control program that will aid in solving image production problems and issues, while aiding in meeting state mandates.

10:20 - 11:30 **X-Rays: What are they, where did they come from and should I be concerned?** (2 hrs CE)

This presentation covers the production of x-radiation, what they are and some things technicians should know when working around radiation.

11:30 - 12:15 **LUNCH on your own**

12:15 - 1:10 **Specialized Radiography of the hand, elbow, wrist, shoulder, knee, ankle & foot** (1hr CE)

A look at specialized views to demonstrate specific anatomy, fractures and areas of interest. Emphasis is on positioning, central ray location and image quality.

1:10 – 2:00 **Applied Radiologic Pathology** (1 hr CE)

This presentation is designed to give a basic working knowledge of pathology as it pertains to diagnostic medial radiograph, as well as demonstrate radiographic manifestations. Pathological conditions commonly encountered by physician's offices are presented and reviewed.

Dates and Places of the Seminar

Jan. 9, June 11	Little Rock, AR	Arkansas Dept. of Health Auditorium	4815 W. Markham
Jan. 30	Springdale, AR	Jones Center for Families – room 219	922 E. Emma Ave.
Feb.13	Jonesboro, AR	St. Bernards Med Center Auditorium	505 E. Washington Ave
Mar. 5	Batesville, AR	White River Medical Center	Conference Room B

Cost: \$85 payable at the door
(Make checks payable to Ray Winters)

Seating for each session is limited and pre-registration is required by calling (870) 972-3329 during the day or (870) 972-1883 or (870) 974-3816 (cell) evenings or email rwinters@astate.edu.

All courses have been approved by the Medical Ionizing Radiation Licensure Committee
