

When you're driving,  
Please don't smoke.  
It gets in my lungs  
And makes me choke.

It can happen  
Really quick.  
I cough and cough  
And get real sick!

If you love me,  
You should quit.  
'cause in the backseat  
I must sit!

★ **Stamp Out Smoking** ★  
Do not smoke in the car with me - IT IS THE LAW.

**NO**

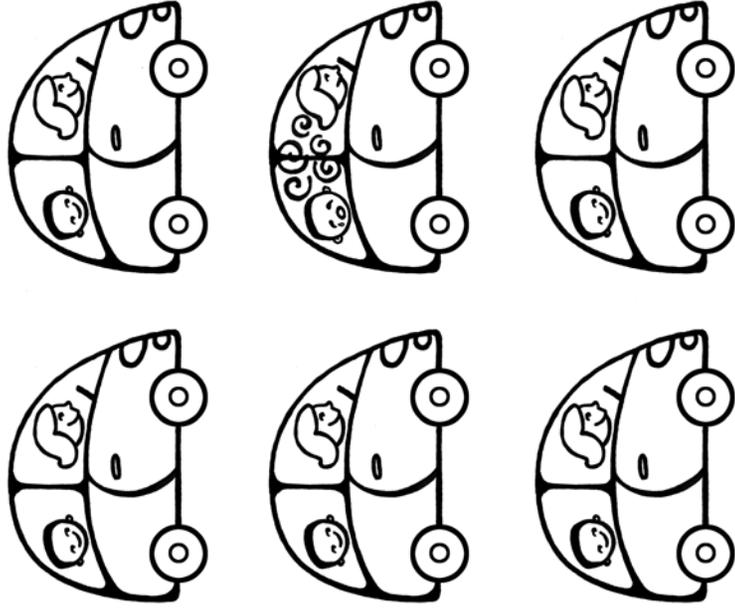

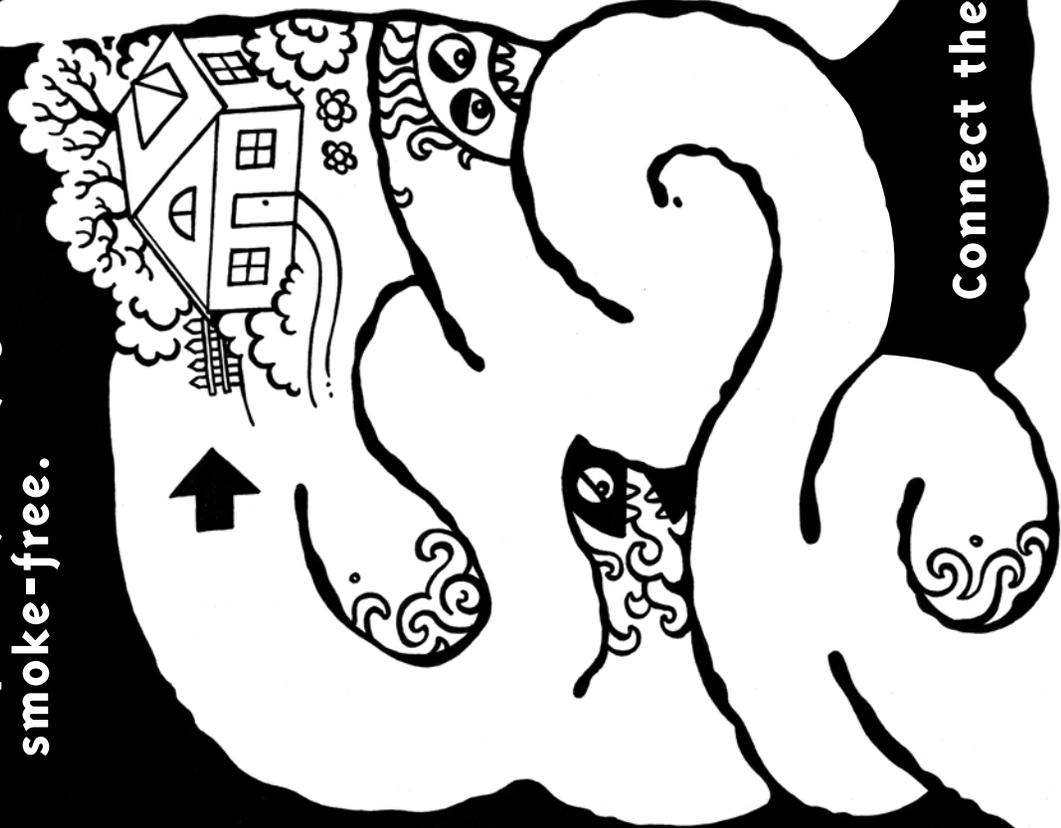

**ACT 811 ACTIVITY PACK**

Parents: Act 811 went into effect July of 2011, making it a primary offense to smoke in a car with a child under 14. If you need help quitting, call 1-800-QUIT-NOW.

Help the family get home  
smoke-free.
