

# Smoke-free cars for healthy Arkansas kids.

Young lungs are delicate and smoke can hinder their development. **That's why it's now illegal to smoke in a vehicle with a child under 14 present.** Drivers can be pulled over and ticketed if seen smoking with a child. For more information on Act 811 or help quitting, visit [stampoutsmoking.com](http://stampoutsmoking.com) or call 1-800-QUIT-NOW.
