

Arkansas Tobacco Quitline Fax Referral Report

From 1/1/2011 through 1/31/2011

Contract Dates from 7/1/2010 through 1/31/2011

Print Date/Time 2/2/2011 2:36:22 AM

The purpose of this report is to provide results by recruitment source. Reported results reflect the current status of all referrals processed during the indicated reporting period as well as Year to Date enrollments by recruitment source.

NOTE: This report is based on the date the fax referral is received by Free & Clear, Inc. and the current disposition for that participant. Pending reflects participants who Free & Clear, Inc. is still attempting to reach. Clinics that are located outside of this state, but refer participants who reside in this state will be displayed on this report.

The purpose of this report is to provide results by recruitment source. Reported results reflect the current status of all referrals processed during the indicated reporting period as well as Year to Date enrollments by recruitment source.

NOTE: This report is based on the date the fax referral is received by Free & Clear, Inc. and the current disposition for that participant. Pending reflects participants who Free & Clear, Inc. is still attempting to reach. Clinics that are located outside of this state, but refer participants who reside in this state will be displayed on this report.

The purpose of this report is to provide results by recruitment source. Reported results reflect the current status of all referrals processed during the indicated reporting period as well as Year to Date enrollments by recruitment source.

NOTE: This report is based on the date the fax referral is received by Free & Clear, Inc. and the current disposition for that participant. Pending reflects participants who Free & Clear, Inc. is still attempting to reach. Clinics that are located outside of this state, but refer participants who reside in this state will be displayed on this report.

The purpose of this report is to provide results by recruitment source. Reported results reflect the current status of all referrals processed during the indicated reporting period as well as Year to Date enrollments by recruitment source.

NOTE: This report is based on the date the fax referral is received by Free & Clear, Inc. and the current disposition for that participant. Pending reflects participants who Free & Clear, Inc. is still attempting to reach. Clinics that are located outside of this state, but refer participants who reside in this state will be displayed on this report.

The purpose of this report is to provide results by recruitment source. Reported results reflect the current status of all referrals processed during the indicated reporting period as well as Year to Date enrollments by recruitment source.

NOTE: This report is based on the date the fax referral is received by Alere Wellbeing, Inc. and the current disposition for that participant. Pending reflects participants who Alere Wellbeing, Inc. is still attempting to reach. Clinics that are located outside of this state, but refer participants who reside in this state will be displayed on this report.

The purpose of this report is to provide results by recruitment source. Reported results reflect the current status of all referrals processed during the indicated reporting period as well as Year to Date enrollments by recruitment source.

NOTE: This report is based on the date the fax referral is received by Alere Wellbeing, Inc. and the current disposition for that participant. Pending reflects participants who Alere Wellbeing, Inc. is still attempting to reach. Clinics that are located outside of this state, but refer participants who reside in this state will be displayed on this report.

The purpose of this report is to provide results by recruitment source. Reported results reflect the current status of all referrals processed during the indicated reporting period as well as Year to Date enrollments by recruitment source.

NOTE: This report is based on the date the fax referral is received by Alere Wellbeing, Inc. and the current disposition for that participant. Pending reflects participants who Alere Wellbeing, Inc. is still attempting to reach. Clinics that are located outside of this state, but refer participants who reside in this state will be displayed on this report.

The purpose of this report is to provide results by recruitment source. Reported results reflect the current status of all referrals processed during the indicated reporting period as well as Year to Date enrollments by recruitment source.

NOTE: This report is based on the date the fax referral is received by Alere Wellbeing, Inc. and the current disposition for that participant. Pending reflects participants who Alere Wellbeing, Inc. is still attempting to reach. Clinics that are located outside of this state, but refer participants who reside in this state will be displayed on this report.

The purpose of this report is to provide results by recruitment source. Reported results reflect the current status of all referrals processed during the indicated reporting period as well as Year to Date enrollments by recruitment source.

NOTE: This report is based on the date the fax referral is received by Alere Wellbeing, Inc. and the current disposition for that participant. Pending reflects participants who Alere Wellbeing, Inc. is still attempting to reach. Clinics that are located outside of this state, but refer participants who reside in this state will be displayed on this report.

The purpose of this report is to provide results by recruitment source. Reported results reflect the current status of all referrals processed during the indicated reporting period as well as Year to Date enrollments by recruitment source.

NOTE: This report is based on the date the fax referral is received by Alere Wellbeing, Inc. and the current disposition for that participant. Pending reflects participants who Alere Wellbeing, Inc. is still attempting to reach. Clinics that are located outside of this state, but refer participants who reside in this state will be displayed on this report.
