General Policies and Procedures for the Practical Examination:

Security Policies: Suspected security breaches during the practical test administrations, such as an act of impersonation, creating a disturbance, giving or receiving unauthorized information or aiding other candidates, attempting to remove test information by any means, possessing prohibited materials or sharing supplies may be sufficient cause to dismiss you from the examination site or to invalidate or cancel your scores. Suspected breaches may be identified by observation or suspicion by the test center staff, or may be evidenced by subsequent statistical analysis of examination materials. The Cosmetology Section reserves the right to investigate each incident of misconduct. The Cosmetology Section will make all final decisions on examination score invalidations or cancellations. No visitors, guests or children are allowed in the test center.

Copyrighted Exam Questions: All test questions are the express copyrighted property of NIC. It is forbidden under federal copyright law to copy, reproduce, record, distribute or display these test questions by any means, in whole or in part. Doing so may subject you to severe civil and criminal penalties, including prison incarceration and/or fined up to \$250,000 for criminal violations.

Prohibited Items: No food, beverages, notebooks, magazines, backpacks, briefcases, hats, caps, reference books or electronic devices such as cameras, walkmans, radios, tape players, portable fax machines, cellular telephones, calculator watches, reproduction equipment, beepers or pagers are permitted in the examination room. If any of the aforementioned items are found in a candidate's possession, the Test Center Administrator will dismiss you immediately and provide a written report of the incident to the Cosmetology Section. Smoking or the use of tobacco is strictly prohibited in the examination room. The Cosmetology Section is not responsible for any personal items brought into the examination site.

Emergency Policy for the Practical Examination: In the event of inclement weather or similar emergency, a scheduled practical examination may be canceled or delayed. However, this decision is made only in rare instances and at the discretion of the Cosmetology Section. If a test center is open for testing, and you choose not to appear for your scheduled examination, your fee will be forfeited. You will have to reschedule your appointment and resubmit the appropriate application and fee to the Cosmetology Section. If you have reason to question whether or not a center will be closed due to an emergency, please call the Cosmetology Section to make inquiries regarding the practical examination.

Refunds and Rescheduling Policies: Rescheduling is **not** permitted for the practical examination. Unless you are hospitalized or are involved in a traffic accident on the way to the test center that prevents you from arriving on time, refunds are **not** issued nor are fees transferable for the practical examinations. Documentation of the above-noted exceptions is required.

Score Information: For the written examination, a score of 70 is required in order to pass. For the practical examination, a score of 75 is required in order to pass.

Failing Candidates: Failing candidates will receive a strength and weakness report, as well as information on how to retest. If you fail the practical examination, you will file a new application for practitioner examination form and the required fee to the Cosmetology Section to take the practical examination again.

Confidentiality: Test results are confidential and are not provided over the telephone. Do NOT call the Cosmetology Section's office for test results.

Passing Candidates: When you have passed both the written and the practical examinations, the Cosmetology Section will automatically send you your license. Please be sure to notify the Cosmetology Section of any mailing address changes. Please allow the Cosmetology Section two weeks to process and mail your license. It is not necessary to notify the Cosmetology Section that you have passed an examination; the Cosmetology Section is provided candidate scores on a daily basis.
