Informed Consent Checklist

NOTICE TO ALL PATIENTS
Arkansas law provides that abortions may be performed only with the voluntary and informed consent of the patient. In compliance with Act 1086 of 2015 and Act 1696 of 2005, this form is important to ensure that you have been provided all of the information you need to make a fully informed decision.

Certification of Receipt of Abortion Information
I certify that I have received the printed materials entitled “Abortion – Making a Decision” and “Arkansas Directory of Services” and a copy of the DVD entitled “Abortion – Making a Decision”.

I understand that Arkansas law requires that I am provided these materials at least 48 hours before I undergo an abortion. I also understand that if I am unable to read the materials, the materials must be read to me in a language I can understand. I certify that this requirement of the law has been met for me.
