AR BlueCross BlueShield – Dr. Raker
Dr. Raker, over the past several months has submitted documentation and/or his concerns about ARBCBS denying or reducing insurance payments compared to other providers, and concerns about ARBCBS defining or determining what is within the ASBCE scope of practice. The Board took this matter up with their attorney on June 24th where Dr. Courtney motioned that the board request an AG opinion regarding “Can an insurance company determine a physician’s scope of practice and base that as a reason for non-payment in light of 23-79-114.” With that, counsel research previous and current opinions to help the board draft a request for an AG opinion. The drafted language was reviewed by the board, today, and a motion was made by Dr. Courtney to approve it and send it for an AG opinion. Motion seconded by Dr. Hays. Motion passed.

A motion was made by Dr. Courtney to post the laws that govern telehealth on the website for direct reference. Motion seconded by Mr. Gunter. Motion amended to add that 17-80-402 definitions be added also. Amendment seconded by Mr. Gunter. Motion with amendment passed.
