

FY 2017
Third Quarter Report
January – March 2017

Arkansas Department of Health

BreastCare Quarterly Report

January-March, Fiscal Year 2017

Funded by the Arkansas Department of Health (ADH) with support from the Centers for Disease Control and Prevention (CDC), Arkansas Tobacco Sales Tax, Arkansas Tobacco Excise Tax.

Table 1: Number of Women Enrolled¹, FY 2017

Funding Source	Number of Women Enrolled Jan-Mar, FY 2017	Number of Women Enrolled To Date, FY 2017
Total	2,114	6,240
Federal	1,320	3,928
State	794	2,312

Data source: FY 2017 BreastCare Online System Data.

¹Unduplicated count of women enrolled in the BreastCare Program during the period.

Table 2: BreastCare Funds by Expenditures and Percent Spent on Clinical Services, FY 2017

Month	January	February	March	January - March Average	Monthly Average To Date FY 2017
Total Expenditures	\$238,920	\$387,868	\$381,599	\$336,129	\$294,305
Expenditures on Clinical Services	\$168,743	\$182,390	\$176,260	\$175,798	\$157,904
Percent of Expenditures Spent on Clinical Services	71%	47%	46%	52%	54%

Data Source: Monthly BreastCare Financial Status Report

Table 3: Number and Percent of Screenings Performed, Based on Results Reported by Providers, FY 2017

Provider Type	Number of Screenings ¹ , Jan-Mar, FY 2017	Number of Screenings ¹ , To-Date, FY 2017	Percent of Screenings, FY 2017
Health Department Clinic	1,631	4,741	64.0%
Community Health Center	297	787	10.6%
Hospital	572	1,687	22.8%
Private Provider	92	196	2.6%
Total¹	2,592	7,411	100%

Data source: FY 2017 BreastCare Online System Data.

¹Unique screening tests performed during the period. Screening tests include clinical breast exams, screening mammograms, and Pap tests.

Table 4: Number of Screening Tests Performed through BreastCare, FY 2017

Type of Test	Number of Tests Performed Jan-Mar, FY 2017	Number of Tests Performed To Date, FY 2017
Clinical Breast Exam ¹	878	2,583
Mammograms ²	623	1,771
Pap Tests ³	1,091	3,057

Data source: FY 2017 BreastCare Online System Data.

¹Number of clinical breast exam performed during the period, clients may receive more than one clinical breast exam.

²Number of screening mammograms performed during the period.

³Number of Pap tests performed during the period, clients may receive more than one Pap test.

Table 5: Number of Breast and Cervical Cancer Diagnoses Reported among BreastCare Women, FY 2017

Type of Diagnosis	Number of Diagnoses Jan-Mar, FY 2017	Number of Diagnoses To Date FY 2017
Breast Cancer ¹	12	40
Cervical Cancer ²	1	3
Cervical Precancer ³	11	40

Data source: FY 2017 BreastCare Online System Data

¹Unduplicated count of women with a final diagnosis of invasive or in situ breast cancer during the period.

²Unduplicated count of women with a final diagnosis of invasive cervical cancer during the period.

³Unduplicated count of women with a final diagnosis of moderate or severe dysplasia (CIN-2 or CIN-3).

Table 6: BreastCare Funds by Funding Source (Revenue and Expenditures) and Percent Spent on Clinical Services, FY 2014-2017

Funding Source	FY 2014	FY 2015	FY 2016	FY 2017 (Budgeted)
Federal				
Revenue	\$2,458,457	\$2,444,457	\$1,753,869	\$2,106,528
Expenditures	\$2,127,630	\$1,574,382	\$1,697,547	\$2,106,528
State				
Revenue	\$3,381,965	\$3,146,324	\$3,157,635	\$3,055,241
Expenditures	\$2,914,131	\$2,341,410	\$2,311,870	\$3,055,241
Komen¹				
Revenue	\$153,097	\$41,771	0	0
Expenditures	\$107,130	\$35,654	0	0
Percent of Expenditures Spent on Clinical Services	58%	45%	50%	54%

Data Source: BreastCare Monthly Budget Report

¹Komen's fiscal year is from April 1 – March 31 of each year. Revenue and expenditures have been adjusted based on actual expenditures that occurred during the State's fiscal year (July 1 – June 30).

Table 7: BreastCare Clinical Services¹ Expenditures by Funding Source, FY 2014-2017

Funding Source	FY 2014	FY 2015	FY 2016	FY 2017 (Budgeted)
Federal Grant	\$1,382,268	\$985,595	\$1,011,586	\$1,410,637
State Tobacco Excise Tax	\$1,378,542	\$769,323	\$979,046	\$1,391,779
State Tobacco Sales ² Tax	\$102,000	\$0	\$0	\$0
Komen Grant ³	\$107,130	\$35,654	\$0	\$0
Total	\$2,969,940	\$1,790,571	\$1,990,632	\$2,802,416
Total Number of Women Served	9,569	5,052	5,494	8,450
Average Cost of Each Woman Served	\$310.37	\$354.43	\$362.33	\$331.65

Data source: BreastCare Budget

¹Clinical Services - Direct service provided to women who enroll in the program. These services consist of screening, diagnostic and case management services as well as salaries for Nurse Practitioners and Public Health Nurses who provide one-on-one services.

²These are funds awarded from the Arkansas General Assembly for implementation of the Arkansas Cancer Plan. It is provided by the Arkansas Central Cancer Registry.

³Komen's fiscal year is from April 1 – March 31 of each year. Revenue and expenditures have been adjusted based on actual expenditures that occurred during the State's fiscal year (July 1 – June 30).

⁴This number is a projection based on revenue and expenditures to-date; the number served may increase or decrease based on actual revenue and expenditures.

Table 8: Clinical Services Provided by BreastCare Funding Sources, FY 2016

Funding Source	Number of Women Enrolled ¹ (% of total)	Number of Women Served ^{2,4} (% of total)	Number of Women Screened ^{3,4} (% of total)
Federal	3,372 (57.3%)	3,714 (67.6%)	3,451 (67.8%)
State	2,510 (42.7%)	1,780 (32.4%)	1,639 (32.2%)
Komen	0 (0.0%)	0 (0.0%)	0(0.0%)
Total	5,882 (100%)	5,494 (100%)	5,090 (100%)

Data Source: FY 2016 BreastCare Online System Data and HP Billing Universe

¹Unduplicated count of women enrolled into BreastCare during the period.

²Unduplicated count of women receiving any clinical service through BreastCare during the period. Clinical services are related to breast and cervical cancers including screening and diagnostic procedures.

³Unduplicated count of women who received any screening procedure through BreastCare during the period. Screening procedures include clinical breast exams, mammograms and Pap tests. The total may not match the total in the ADH Online System.

⁴Numbers may change based on billing cycles and delays.

Definitions Used in This Report:

Updated: September, 2014

1. **Women enrolled:** Unduplicated count of women enrolled into the ADH BreastCare Program during a specified time period; *Source of report: BreastCare Online System.*
2. **Women served:** Unduplicated count of women receiving any clinical service through BreastCare Program during a specified time period. Clinical services include screening and diagnostic procedures; *Source of report: BreastCare Online System and HP Billing System.*
3. **Women screened:** Unduplicated count of women receiving any screening procedure through BreastCare Program during a specified time period. Screening procedures include clinical breast exam, conventional mammogram, digital mammogram, conventional Pap test, and liquid-based Pap test; *Source of report: BreastCare Online System and HP Billing System.*
4. **Screenings by provider type:** Unduplicated count of screening procedure through BreastCare Program during a specified time period. Screening procedures include clinical breast exam, conventional mammogram, digital mammogram, conventional Pap test, and liquid-based Pap test; *Source of report: BreastCare Online System.*
5. **Clinical Breast Exams performed:** Number of clinical breast exams provided by BreastCare Program, sometimes more than one for the same client, during a specific time period; *Source of Report: BreastCare Online System.*
6. **Mammograms performed:** Number of screening mammograms provided by BreastCare Program, during a specified time period; *Source of Report: BreastCare Online System.*
7. **Pap tests performed:** Total number of Pap tests provided by BreastCare Program, sometimes more than one for the same client, during a specified time period; *Source of Report: BreastCare Online System.*
8. **Breast cancer diagnosis:** Unduplicated count of women with a final diagnosis of invasive or in situ breast cancer during a specific time period; *Source of Report: BreastCare Online System.*
9. **Cervical cancer diagnosis:** Unduplicated count of women with a final diagnosis of invasive cervical cancer for a specific time period; *Source of Report: BreastCare Online System.*
10. **Cervical precancer diagnosis:** Unduplicated count of women with a final diagnosis of moderate or severe dysplasia (CIN-2 or CIN-3) for a specific time period; *Source of Report: BreastCare Online System.*
