Who We Are.....

The mission of the Arkansas Board of Health Education is to protect the health, safety and welfare of the public by providing for the certification and regulation of persons engaged in the practice of health education in the state of Arkansas.

The Health Educator Practice Act

Act 1237 of 1997, the Health Educator Practice Act, established the board to provide for the certification and regulation of persons who hold themselves under the title of certified health education specialist (CHES) or certified public health educator (CPHE). Professionals working under the title of CHES or CPHE are required by law to register with the Board.

Benefits of Registering with the Board

- Registering attests to the professional health educator's knowledge and skills that are essential to the practice of health education
- Registering assists employers in identifying qualified practitioners
- Registering assures consumers of the validity of services offered
- Registrants receive news and updates on current health education practices, continuing education events and networking opportunities.

How to Register

To register with the Board, complete this form and return with your one-time payment of $25 made payable to ARBHE.
