(2) The Director of the Department of Education shall appoint:

(A) One (1) member to represent the Department of Education;

(B) One (1) member to represent the Arkansas School Food Service Association;

(C) One (1) member to represent the Arkansas School Nurses Association;

(D) One (1) member to represent the Arkansas Association of Education Administrators; and

(E) One (1) member to represent the Arkansas Parent Teacher Association.

(c) Terms of committee members shall be three (3) years except for the initial members whose terms shall be determined by lot so as to stagger terms to equalize as nearly as possible the number of members to be appointed each year.

(d) If a vacancy occurs, the officer who made the original appointment shall appoint a person who represents the same constituency as the member being replaced.

(e) The committee shall elect one (1) of its members to act as chair for a term of one (1) year.

(f) A majority of the members shall constitute a quorum for the transaction of business.

(g) The committee shall meet at least monthly.

(h) The Department of Health shall provide office space and staff for the committee.
(i) Members of the committee shall serve without pay but may receive
expense reimbursement in accordance with § 25-16-902, if funds are available.

6-7-118. Powers and duties.
(a) The Child Health Advisory Committee shall meet at least once per
month and make recommendations to the State Board of Education and the State
Board of Health consistent with the intent and purpose of §§ 6-7-117 through
6-7-119.
(b) The Committee shall develop nutrition and physical activity
standards and policy recommendations with consideration of the following:
   (1) Foods sold individually in school cafeterias but outside the
       regulated National School Lunch Program;
   (2) Competitive foods as defined by the United States Department
       of Agriculture, as in existence on January 1, 2003, and offered at schools
       typically through vending machines, student stores, school fundraisers, food
       carts, or food concessions;
   (3) The continuing professional development of food service
       staff;
   (4) The expenditure of funds derived from competitive food and
       beverage contracts;
   (5) Physical education and activity;
   (6) Systems to ensure the implementation of nutrition and
       physical activity standards; and
   (7) The monitoring and evaluating or results and reporting of
       outcomes.

(a) The State Board of Education, after having consulted the committee
and the State Board of Health, shall promulgate appropriate rules and
regulations to ensure that nutrition and physical activity standards are
implemented to provide students with the skills, opportunities, and
encouragement to adopt healthy lifestyles.
(b) Beginning with the 2003-2004 school year, the Department of
Health, in consultation with the Department of Education, shall:
   (1) Employ one (1) qualified community health promotion
   professional, with training, experience, or both, in nutrition, chronic
disease, or another related field to be housed within the Department of Health to plan, develop, implement, and evaluate pilot or model programs to support schools and communities, if funds are available;

(2) Employ one (1) statewide health promotion consultant to be housed within the Department of Education, if funds are available;

(3) Employ one (1) person as a community health promotion specialist to support implementation of pilot or model programs in schools and communities in nutrition and physical activity in several distinct geographical areas of the state, if funds are available; and

(4) Not use more than five percent (5%) of the annual Department of Health Master Settlement Agreement funds for the salaries or programs created under this subsection (b).

(c) Beginning with the 2003-2004 school year, every school district shall:

(1) Prohibit, for elementary school students, in-school access to vending machines offering food and beverages;

(2) Require schools to include as part of the annual report to parents and the community the amounts and specific sources of funds received and expenditures made from competitive food and beverage contracts;

(3) Require school to include as part of the student report card to parents an annual body mass index percentile by age for each student; and

(4) Require schools to annually provide parents with an explanation of the possible health effects of body mass index, nutrition and physical activity.

(d) Beginning with the 2004-2005 school year, the Department of Education shall:

(1) Begin the implementation of standards developed by the committee and approved by the Department of Education; and

(2) Annually monitor and evaluate the implementation and effectiveness of the nutrition and physical education standards.

(e) Beginning with the 2004-2005 school year, every school district shall:

(1) Convene a school nutrition and physical activity advisory committee that shall include members from school district governing boards, school administrators, food service personnel, teacher organizations,
parents, students, and professional groups such as nurses and community
members, to:

(A) Help raise awareness of the importance of nutrition
and physical activity; and

(B) Assist in the development of local policies that
address issues and goals, including, but not limited to, the following:

(i) Assisting with the implementation of nutrition
and physical activity standards developed by the committee with the approval
of the Department of Education and the State Board of Health;

(ii) Integrating nutrition and physical activity
into the overall curriculum;

(iii) Ensuring that professional development for
staff includes nutrition and physical activity issues;

(iv) Ensuring that students receive nutrition
education and engage in healthful levels of vigorous physical activity;

(v) Improving the quality of physical education
curricula and increasing training of physical education teachers;

(vi) Enforcing existing physical education
requirements; and

(vii) Pursuing contracts that both encourage healthy
eating by students and reduce school dependence on profits from the sale of
foods of minimal nutritional value;

(2) Begin the implementation of standards developed by the
committee with the approval of the Department of Education and the State
Board of Health; and

(3) Require that goals and objectives for nutrition and physical
activity be incorporated into the annual school planning and reporting
process.

(f) The Department of Education and the Department of Health shall
report annually on progress in implementing nutrition and physical education
standards to the cochairs of the House and Senate Interim Committees on
