**December 14, 2020**

**Dear Applicant:**

**Attached is an application packet for licensure as a Licensed Dietitian or Provisional Licensed Dietitian. If you are currently licensed in another state, please notify that Board that we will need a copy of your License and verification of licensure sent to this board in order to complete the application.**

**Continuing education hours for the next licensure period must be completed between November 1, 2020 – October 31, 2021. There will be no exceptions.**

**Beginning one (1) year after the effective date of The Dietetic Practice Act, July 3, 1989, no person shall practice or offer to practice dietetics within the meaning of this Act unless he/she is duly licensed or is a student under the provisions of this Act, or otherwise entitled under Sections 4 or 7.**

**If the applicant does not meet the requirements for Licensed Dietitian in accordance with the Rules and Regulations, (See Rules and Regulations on the Webpage:<https://www.healthy.arkansas.gov/programsservices/topics/arkansas-dietetics-licensing-board1>), the applicant may qualify for a provisional license prior to passing the examination administered by The Commission on Dietetic Registration. (See Section VIII.).**

**If you have further questions after reviewing the enclosed materials, please contact the Arkansas Dietetics Licensing Board at the above address or 501-580-9294**

**Sincerely,**
