Letter from the Field Office Director

Thank you for picking up the HUD Little Rock Field Office Resource Handbook. This handbook has been designed to make it easier for you to identify HUD-assisted rental housing and other additional support options in Arkansas. You will find a variety of related information including contact information for other agencies that may be able to help you locate housing. You can also call 211 or visit arkansas211.org to view their database of affordable housing and other community resources in the state of Arkansas. HUD maintains a website of additional resources at hud.gov/states/arkansas

HUD does not manage or own housing, nor does it take applications. It is important to use this handbook to find housing that meets your needs. Once you locate the resource, please call the housing provider directly and ask about vacancies, eligibility, rents, and application procedures. There may be long waiting lists at many housing authorities and multifamily properties, so you will want to apply to as many places as possible. Please be advised that HUD does not keep a record of apartment vacancies or waiting lists.

We prepared this handbook as a resource to assist you in your housing search. HUD is always interested in working with organizations to expand the supply of affordable housing and would welcome calls from such groups interested in HUD's programs. Interested parties should contact the Office of Field Policy and Management staff at arwebmanager@hud.gov or 501-918-5703.

Arkansas Public Housing Authorities (PHA)

Some PHAs provide low-rent housing and/or section 8 vouchers. Please be advised that the number of section 8 vouchers is limited by federal funding, and they are obtained by applying at the PHA. PHAs have waiting lists, many of which are quite extensive. Most of the time, waiting lists are closed, that is, they do not accept new applications. Occasionally, however, a PHA will open its waiting list, usually for a fixed period of time, to accept new applications. To be eligible for a Section 8 voucher, a household's income must usually be less than 50% of the median income in the area, based on family size. The exact limits vary from area to area. There are also special categories of applicants for whom the income limit may be higher. Check with the PHA to which you are applying to find out what their income limits are.
