## **License Categories used by the Arkansas State Medical Board**

Abandoned Application for licensure expired before file was complete. No license issued.

Academic The Academic License to practice medicine in the State of Arkansas shall authorize the practice of medicine only within the clinical and educational programs in the State of Arkansas that are established and administered by a medical school located in the State of Arkansas and accredited by an accrediting agency recognized by the United States Department of Education or approved by the Arkansas Higher Education Coordinating Board to seek accreditation by an accrediting agency recognized by the United States Department of Education as stated in A.C.A. 17-95-412.

Consent Order A written agreement between the Board and a licensee in which the licensee agrees to comply with specific conditions.

Deceased Practitioner has expired

Denied Practitioner was not issued a medical license

Disqualified Non-compliance of CEU/CME submission after extension

Dissolved The dissolving of a Medical Corporation

Education-Temporary A temporary permit issued to a physician who will be considered for license under Act 497 of 2005.

Educational The Educational License will authorize the licensee to practice medicine only within the clinical and educational programs established and administered by a medical school accredited by an accrediting agency recognized by the United States Department of Education or approved by the Arkansas Higher Education Coordinating Board to seek accreditation by an accrediting agency recognized by the United States Department of Education as stated in A.C.A. 17-95-412.

Emergency Permit Temporary license issued to Arkansas PGY 2 or higher medical residents to be used for providing health care services relating only to the public health emergency concerning COVID-19 as declared by Arkansas Governor Asa Hutchison.

Exam To specify that a licensing exam was taken in that state

Expired License no longer current and/or valid. Also indicates not-renewed, lapsed and delinquent

Graduate Registered Physician A physician who has graduated from an accredited medical school who is not currently, nor has ever enrolled in an accredited postgraduate training program. The licensee is either a legal resident of the state of Arkansas, or has graduated from an accredited Arkansas medical school. The licensee can only provide healthcare services under the continuous supervision of a physician who holds an Active/Unlimited Arkansas medical license. The license expires one year from the date of issue and can only be renewed two times. The license will become inactive upon leaving the current employment or entering into a postgraduate training program.
