COMMUNITY HEALTHCARE SERVICES

CHARACTERISTICS OF COMMUNITY HEALTHCARE SERVICES

- Community Health Centers (CHCs) strive to ensure everyone has access to local, affordable, high-quality health care. CHCs’ emphasis on quality is evident by the focus on achieving patient-centered, accessible, coordinated care through a team-based approach stressing quality and safety.

- CHCs serve high need underserved areas to better serve unmet needs.
- CHCs are “Economic Engines” generating job opportunities and resources for local communities.
- CHCs offer “Cost Effective” delivery of primary and preventive care which reduces the need for more expensive care options.
- CHCs are community-owned 501 (c)(3) non-profit organizations that are governed by volunteer community boards comprised of patients and community leaders.
