Program Update

Kelli spoke about the new rules that she is working on with ADH Attorney's Craig and Chuck. She stated that Body Art is now under Cosmetology and two new members will be added to the Cosmetology Technical Advisory Committee, which will make this a 9-member committee. One new member will be for the Body Art Industry and one new member for the Permanent Cosmetics Industry. She explained that it was best to add Body Art to Cosmetology and make one law as they are very similar to Cosmetology regarding Health and Safety regulations.

Cosmetology Laws changed during the last legislative session to include AnnaLynn's law, Distance Education and changes to add Body Art to Cosmetology.
