The physician hereby agrees to be available to the Advanced Practice Registered Nurse (APRN), either in person or via electronic or telephonic communication, for consultation and referral. Mutually agreed upon protocols for Prescriptive Authority will be utilized by the APRN as a guide for general categories of health states. The APRN shall limit prescribing to the area of educational preparation and certification as noted below.

The above named APRN is authorized to prescribe drugs from each of the categories of controlled substances below which are <u>initialed by</u> the collaborating physician and APRN.

_____ _____a. Drugs listed in Schedule III-V of the Controlled Substance Act (CSA), 17-87-210 (b)(1)

_____ _____b. Hydrocodone combination products from Schedule II of the CSA, 17-87-210 (b)(2)(A)

_____ _____c. Schedule II opioids and /or stimulants, 17-87-310 (b)(2)(B)(i-ii)

_____ _____d. Not requesting ability to prescribe controlled substances

Should an emergency arise, necessitating the absence of the APRN or the collaborating physician from patient care responsibilities, provision for comparable coverage shall be arranged at the first possible opportunity.

Until that time, {Hospital providing emergency services} with which the collaborating providers are associated, provides emergency services 24-hours daily for the clients of {Clinic Name/Practice Name}.

There is a written provision for quality assurance (attach the Quality Assurance Plan).

This agreement of professional collaboration is by no means intended as a business contract but rather as a document that fulfills the requirements for Prescriptive Authority as set forth in the Arkansas *Nurse Practice Act*.
