GENERAL INFORMATION

The Arkansas State Board of Physical Therapy (ARPTB) requires that applicants sit for and pass the appropriate **National Physical Therapy Examinations (NPTE)** as a prerequisite for licensure. The **Federation of State Boards of Physical Therapy (FSBPT)** is the organization responsible for administering and developing these examinations. Although ARPTB neither administers nor develops the examination, it is responsible for assuring that only eligible candidates sit for the exam and that FSBPT receives the necessary approval. No person who has failed the exam two times is eligible for licensure without presenting a study plan to the Board. This is whether or not the exam was taken in Arkansas. Exam score must meet the criterion-referenced passing point equal to a scaled score of 600 based on a range of 200-800.

Applicants must be graduates of a Board approved physical therapy program at a school, college or university located within the continental United States or its territories. Those who are not must have their educational credentials evaluated to determine if their education is equivalent to the requirements of physical therapists and physical therapist assistants educated in United States educational programs as determined by the Board.

No application is complete without all of the required documents, fees and photograph. Application for licensure must be completed within one year from submission to ARPTB or the application and credentials must be brought up to date and resubmitted with payment of the applicable fees.

SPECIAL ACCOMMODATIONS

If you have a disability covered by the Americans with Disabilities Act (ADA) you may request special accommodations to take the examination by completing the ADA Request Form. The form is on the Board's website at www.arptb.org. A comprehensive and current report (no more than three years old) from a qualified examiner appropriate for evaluating your disability must accompany the request form. **The request and supporting documentation must be submitted at the time of application submission.** The ADA accommodations question must also be marked appropriately when registering with FSBPT.

QUESTIONS ABOUT THE COMPUTERIZED NPTE

The licensure examinations for physical therapists and physical therapist assistants are offered on computer at Prometric Testing Centers. For common questions about the NPTE, refer to the candidate handbook by clicking the Exam Candidates tab on the FSBPT website at www.fsbpt.org.

ELIGIBILITY TO SIT FOR THE NPTE

ARPTB determines eligibility to take the examination based on educational requirements and other guidelines listed in this application packet. If you are eligible to sit for the exam, ARPTB will inform FSBPT. When you have been approved to test, FSBPT will email you confirmation and information about scheduling the examination. Your authorization to test letter will also be available on the FSBPT website under Status of My Request. If you are not eligible, ARPTB will inform you in writing of outstanding requirements to complete before you are eligible to sit for the examination.

SCHEDULING QUESTIONS

Please do not call ARPTB about scheduling your examination. Scheduling questions should be addressed to FSBPT, which will send you confirmation and information about scheduling the examination. A listing of Prometric Testing Center locations is also available on the Internet at www.prometric.com. The testing program is Federation of State Boards of Physical Therapy. You will be responsible for payment of the Prometric Testing Center fee at the time you schedule your examination. Cost is \$82.60 for the PTA exam and \$100.30 for the PT exam.

JURISPRUDENCE EXAM

A passing score on the Arkansas State Board of Physical Therapy Jurisprudence Exam is required for licensure. To take the exam, log on to the Board's website at www.arptb.org. The jurisprudence exam link is under the online services menu button. Prior to taking the exam, download the Practice Act and the Rules and Regulations to reference during the exam. At the end of the exam, a certificate of completion is available and may be printed for your records. ARPTB will print the certificate for your file.

BACKGROUND CHECKS

ArAC §17-39-303(b) & §17-39-304(b) requires all applicants for Physical Therapy and Physical Therapy Assistant to apply to the Identification Bureau of the Arkansas State Police for state and national criminal background checks prior to being issued licensure. A valid application for licensure must be on file prior to Background checks being processed. No Applicant will be issued licensure until the results of the criminal background check are received. Please note that it may take 2-6 weeks for the Board to receive the results.

REGISTERING WITH FSBPT

FSBPT registration may be completed prior to applying with ARPTB but the process is not complete until ARPTB receives all required documentation. Register with FSBPT online at <http://www.fsbpt.org/OurServices/CandidateServices/ExamRegistrationPayment.aspx>. FSBPT does not accept checks or money orders.

EXAM DATES

The exam is given four times per year. Exam dates are available on the FSBPT website at www.fsbpt.org.

EXAM RESULTS

If you pass and are eligible for licensure, your license will be issued and you will receive your exam results, a wall certificate and wallet size license. If you fail the examination, a letter will be mailed to you with your exam results. You may take the examination a second time by registering with FSBPT online. If you fail the examination a second time, additional education is required. The guidelines are listed in the ARPTB Rules and Regulations. NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification¹ that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.²
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.³

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁴

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-synnart-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
