IHS will then notify the applicant by email of his/her eligibility to schedule the written portion of the exam. Applicants should not contact IHS directly before being notified of approval to take the written exam, as eligibility and approval are determined by the Board. IHS charges a fee for the exam, which the applicant will pay directly to IHS upon registration for the written examination.

IHS will send examination scores to the Board, and the Board will send a pass or fail notification to the applicant by email and regular mail (applicants should maintain updated contact information with
the Board). The Board may follow the pass or fail recommendations set out by IHS.
