Vendor Reimbursement Clarification

This is a reminder that if you are purchasing a Stand Beside System and you meet the reimbursement criteria, The Arkansas Department of Health WIC Program will reimburse up to \$2,500 per lane based on the Yearly and Monthly WIC sales. The Arkansas Department of Health WIC Program will not reimburse usage fees. You may also need to make sure you provide the company you purchase your system from with UPCs, product description, and pricing information which may also help with your cost.
