eWIC Level 3 Certification of Point of Sale System

Thank you to the vendors who have completed the Level 3 Certifications on your Point of Sale System. However, we still have many vendors who need have a Level 3 Certification performed. This is mandatory as we prepare to rollout EBT Statewide. The EBT Pilot is going well and eWIC will rollout statewide is July 16, 2018.

We cannot wait until July 1st and try to perform a Level 3 Certification on all vendors who have not received a certification.

Vendors who need to have a Level 3 Certification performed need to contact Leslie Foreman and/or Brian Musick.

The WIC State Office Certification contacts are listed below.

1. Please contact Leslie Foreman via email at Leslie.Foreman@arkansas.gov or office phone at 501-671-1753. She can also be contacted on her mobile phone at 501-766-8455.
2. You may also contact Brian Musick via email at Brian.Musick@arkansas.gov or office phone at 501-661-2087 to perform you Level 3 Certification.

In addition, there is a Vendor Reimbursement Policy that may help some vendors. Brian Musick is the contact regarding this policy.

Re-Authorization

Every three years we re-authorize our WIC Vendors. Your Food Delivery Liaison will be contacting you within the next two weeks to schedule your training. In addition, our office will also be sending out a Re-Authorization Link for you to update your information.

Vendor Applications for WIC will not be accepted between July 1, 2018 and August 31, 2018 during this process.
