Continued Suspension of Patrick Hunter – Charles “Chuck” Thompson:

ADH received notice that Patrick Hunter was charged with a crime while performing massage therapy services. Because of the serious nature and allegation of the charges, ADH did an emergency suspension of his massage therapy license. He received notice of this suspension. He hired an attorney and said he was willing to continue the suspension until due process. MTTAC will hear more once the criminal matter is complete in court.

Program Update

Charles “Chuck” Thompson spoke about the status of the amended rules. The rules are now with the Secretary of State and an answer should be available in a few weeks and then they will be finalized. Once they are approved, final copies will go out to everyone. Chuck thanked Kelli Kersey and Nell Smith

for their time spent on the rule amendment and the help they did while attending meetings and helping at the State Capitol.

Kelli Kersey spoke about online continuing education due to the number of cases of COVID. Chuck said they will discuss at the next quarterly meeting the continuation of online classes. Due to public safety, ADH will continue online classes.
