Disciplinary Actions is a self-paced course for nurses designed to help them understand the regulations that govern nursing practice and the disciplinary process. Learners apply knowledge gained through interactive exercises, case studies and workbook activities.

This course provides insight into the offenses that can result in disciplinary actions and potential consequences for those actions. There is also detailed information on the complaint process and what a nurse should expect should disciplinary actions be taken against them.

Course Authors

This course was developed by the National Council of State Boards of Nursing (NCSBN) and written by Tonia Aiken, RN, JD, BSN, and Julia Aucoin, RN, DNS, BC.

Who Should Take This Course?

This program is for every nurse in every practice setting at every level of practice.
