PART V

CERTIFICATION

Printed name of responsible party: _____ Job title: _____

Signature: _____ Date: _____

All information contained in this registration is true and complete to the best of my knowledge.

This notification of a NORM site assumes all components within the site/field are potentially contaminated. The Department will only consider the future release of the site/field for unrestricted use after all affected components (e.g., equipment, tubulars, land, etc.) are decontaminated and/or transferred out of the field.
