RENEWAL INSTRUCTIONS

1. Complete the renewal application and summary sheet. The renewal request will be returned if the application and summary sheet are not completed in full and signed.

2. Attach an $80 Cashier’s Check or Money Order (non-refundable) made payable to the Social Work Licensing Board. NO PERSONAL CHECKS ACCEPTED

3. Complete the summary sheet in full. A minimum of 30 hours of social work continuing education completed during the two-year licensure period must be listed. Your renewal period is the two (2) years prior to your expiration date. (Example: If your expiration date is July 31, 2019, then your renewal period is August 1, 2019 through July 31, 2021) Of the 30 hours, no more than 15 hours will be approved for independent or Internet courses. Please list the three (3) hours in professional ethics first on the summary sheet. Since the summary sheet is the only documentation the Board will see, it is important that you print legibly or type the information. Please do not abbreviate. Providing clear and complete information will prevent us from having to contact you for additional information. Do not send your continuing education Certificates of Attendance with the renewal application. You will need it later if you are selected for audit.

4. Mail the renewal application, $80 renewal fee and summary sheet to the Board postmarked no later than your expiration date. Your social work license will expire, and you will no longer be eligible to practice social work if the renewal application and other required materials are not postmarked by your expiration date. An expired license may be renewed within three months of the expiration date by submitting a signed attestation stating you have not practiced social work, the $80 renewal fee, and the $80 late penalty, ($160 total).

   Please note: This three-month period is not additional time for completing the continuing education requirement and does not allow for practice after the expiration date. Continuing education completed outside the two-year licensure period will not be approved. A license that has expired longer than three months is non-renewable.

Renewal applications will be reviewed at the next board meeting after they are received. If approved, you will be mailed an acknowledgement of license renewal and a new license card within 7-10 days after the board meeting. (The Board meets on the second Monday of each month. Deadline for each meeting is at noon on the Friday before the meeting)

You may renew your license online or download additional forms at www.arkansas.gov/swlb.

If you do not wish to renew your license, please notify the Board in writing.

The Social Work Licensing Act has been amended. The section regarding the expiration and renewal of social work licenses, codified at Arkansas Code § 17-103-304, will read as follows effective July 22, 2015:

(c) (3) Before the expiration date of the license, the licensee shall:
   (A) Submit a renewal application and fee online; or
   (B) Mail the renewal application and fee to the office of the board.

(d) (1) If a licensee fails to renew his or her license before the expiration date, the license shall lapse the last day of the month of the calendar year that is exactly two (2) years from the calendar year and month in which the license was issued.
   (2) A license that has lapsed for a period of less than three (3) months may be renewed by submission of:
      (A) A completed renewal application;
      (B) A fee that is two (2) times the amount of the renewal fee specified; and
      (C) An attestation that the licensee has not practiced social work since the day that his or her license lapsed and the licensee will not practice social work until his or her license is approved for renewal by the board.
   (3) If a license has lapsed for three (3) months or longer, the applicant for the license shall be considered a new applicant subject to appropriate provision of this chapter.
   (4) A license that has expired over three (3) months is not renewable.

(e) At the time of license renewal, an applicant shall present satisfactory evidence that in the period since the license was issued, he or she has completed the continuing education requirement as required by the board.

Please note: This three-months is not additional time for completing the continuing education requirement and does not allow for practice after the expiration date. Continuing education completed outside the two-year licensure period will not be approved.

If you do not mail (postmark must be no later than expiration date) or renew your social work license online by the expiration date of your license, then your license is considered lapsed as of the expiration date and you are not eligible to practice social work, work in a social work position or call yourself a social worker until the Social Work Licensing Board (the "Board") has received and approved your application for renewal.

I, the below named licensee, attest and affirm that I have not practiced social work since the day that my license lapsed. I will not practice social work until my license is approved for renewal by the Board.
