

## Notice to Radiologic Technologists

### RTL Renewal Changes:

- Beginning January 1, 2021, the American Registry of Radiologic Technologists will stop sending out credentialing cards.  
<https://www.arrt.org/r-t-update/rtupdatespring2020/arrt-to-eliminate-paper-credential-cards>
- The Arkansas Department of Health, Radiologic Technologist Licensure Program has revised the License Renewal Procedure to accommodate this change.
- The License Renewal Forms have been updated.
- Please make sure that you complete each section.
  - Incomplete forms may delay the renewal of your license.
- Registered Technologists will no longer be required to supply a copy of their credentialing cards.
  - The RTL Program has begun online verification of credentials.
- Limited Scope and Licensed (Grandfathered) Technologists will need to continue to submit their Continuing Education Information on the form provided or a list on a separate sheet of paper.
  - DO NOT send individual certificates.
- The most efficient way to renew your application is to submit an online payment to:
