Access to WIC Approved Foods

In efforts to ensure all Arkansas WIC participants have access to WIC approved foods it is most helpful if our vendors communicate with us any shortage or inability to get WIC approved items from your distributors. We understand that in the wake of national emergencies there are potential disruptions to supply or shortages of high demand items, (i.e.. dry beans, canned beans, milk).

Please inform the WIC program if you see your stores are not able to receive WIC approved food items.

If you have any questions, or need to report a shortage of WIC approved food items, please contact Gayla Lanum at 501-280-4675 or email gayla.lanum@arkansas.gov. You may also contact De'Shunda Davis at 501-661-2689 or email deshunda.davis@arkansas.gov.
